Title:	MOTION CONTROL SYSTEMS	)	

**AMENDMENT**

Mail Stop Non-Fee Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

This is in response to the Office Action mailed January 29, 2007. It is believed that no fee or charge is due at this time. However, if any such fee or charge is due, please charge this to Deposit Account No. 502099.

Please amend the application as described herein.

**REMARKS**

This Amendment is filed in response to the Office Action mailed on January 29, 2007, in connection with this case. In that Office Action, the Examiner rejected claims 193-208 and objected to claims 209 and 210 as being in dependent form but indicated that claims 209 and 210 would be allowable if rewritten in independent form.

By this Amendment, the Applicant has amended claim 193 to incorporate the subject matter of claim 209 and canceled claim 209. The Applicant respectfully submits that claim 193 as amended hereby corresponds to claim 209 rewritten in independent form, and withdrawal of the rejection to claim 193 is respectfully requested.

Claim 210 previously depended from claim 209; the Applicant has amended claim 210 to depend from claim 193 rather than canceled claim 209. The Applicant respectfully submits that claim 210 is now in condition for allowance, and such allowance is respectfully requested.
